Filed: March 6, 1997

For: QUANTITATIVE LATERAL FLOW
ASSAYS AND DEVICES

Examiner: C. Chin

Art Unit: 1641

REQUEST FOR STATUS OF
APPLICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

We respectfully request an update concerning the status of the instant application in view of the following information. A Continued Prosecution Application was filed with the United States Patent and Trademark Office on January 21, 1999 for the application. On January 3, 2000, we filed a Supplemental Information Disclosure Statement and Preliminary Amendment, in which claims 2, 3, 24-52, 54-55, 64 and 82-119 were canceled without prejudice, and claims 1, 8, 10, 15, 23, 53, 56-63, 65-71, 73-81 and 120 were amended. As evidenced by a copy of the Preliminary Amendment postcard, the Amendment was received by the PTO on January 6, 2000. (Copies enclosed.) We then received a Final Office Action, mailed on February 23, 2000, which repeated the Examiner's rejections from the Final Office Action of the parent application.

The undersigned telephoned Examiner Chin on March 2, 2000 to inquire about the issuance of the Final Office Action, since we had filed a Preliminary Amendment. Examiner Chin stated that he had not received the Preliminary Amendment or Supplemental Information Disclosure Statement, and requested that we fax him a copy of the documents. Examiner Chin stated that he would withdraw the Final Office Action upon receipt of the Preliminary

Amendment. A copy of the Supplemental IDS and Preliminary Amendment were faxed to Examiner Chin on March 2, 2000. A copy of the Facsimile Cover Sheet and confirmation page are attached.

On March 28, 2000, the undersigned called Examiner Chin and left a voicemail message inquiring about the status of the application and the withdrawal of the Final Office Action. On March 29, 2000, Examiner Chin left the undersigned a voicemail message stating that he did not receive the Preliminary Amendment that was faxed and requested that we resend it. On that same day, we resent the facsimile and the undersigned's assistant called Examiner Chin to inform him that the fax had been sent so that he could personally pick it up and asked that he call to confirm that he had received all of the pages. A copy of the Facsimile Cover Sheet and confirmation page are attached. We did not hear back from the Examiner for several hours and called again to confirm receipt of the facsimile. We were told by Examiner Chin that when he arrived at the fax machine, the facsimile was not there and that he would "track it down." We again asked that he call to confirm receipt of the facsimile, but were told that he would only call if he were unable to locate the facsimile.

On May 1, 2000, the undersigned called Examiner Chin to inquire about the status of the Office Action. Examiner Chin stated that he was working on it and that a withdrawal of the final rejection would be mailed by the end of the week. We have not received any papers from the Patent Office as of this date.

On June 14, 2000, we again telephoned Examiner Chin to check on the status of the withdrawal. We were told by Examiner Chin that he thought he had sent out an action but that he would have to check the file. We asked that he call to confirm that the withdrawal had in fact been sent, but we have not received any confirmation and have not received a new Office Action.

On June 15, 2000, the undersigned called Examiner Chin's supervisor, Examiner Housel, and left a voicemail requesting that he call to discuss this matter. We did not receive a response. On June 19, 2000, the undersigned left voicemail messages with both Examiner Chin and Examiner Housel, requesting that they call to discuss the status of the application. Examiner Housel's assistant called and stated that Examiner Housel was investigating the

matter. We have not received any further communication from Examiner Housel or Examiner Chin.

On July 11, 2000, the undersigned again left a voicemail with Examiner Housel regarding the status of the application. We are still awaiting a response to our inquiries.

The Final Office Action is now in the three-month extension time period, and the final date for submitting a response is August 23, 2000. Applicants respectfully request that the Final Office Action be withdrawn immediately and that an Office Action responsive to the Preliminary Amendment filed on January 3, 2000 be issued.

In light of these facts, please provide us with the current status of this application. If a telephone call would expedite this matter, please call the undersigned at the below telephone number.

Respectfully submitted,

Karen B. Dow
